

After-School Program

The PTA after-school program offers students a safe place to play with friends at the end of the school day. The program is focused on child directed activities that give students a chance to relax after a busy day of school. This child directed time is vital for child development. In addition, we offer families the opportunity to sign up for extra enrichment programs.

Regular ASP costs per month: 1 day/week = \$70, 2 days/week = \$140, 3 days/week = \$180, 4 days/week = \$225, 5 days a week= \$270

A small snack is provided each day. Your student can also bring a nut-free snack from home.
